# REASSURINGLY FAST

Cadillac Smart System delivers proactive, predictive peace of mind. The comprehensive suite of standard driver-assistance features such as Automatic Emergency Braking, Forward Collision Alert and Rear Park Assist, ensure that you go confidently, wherever you go.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
